**Statement**  
**By Ambassador Christopher R. Hill**  
**Condemning the Multiple Bombings in Baghdad**

The U.S. Embassy in Baghdad strongly condemns the multiple bombings that took place yesterday in Baghdad resulting in the deaths and injuries of numerous people.

The terrorists who committed these senseless crimes aim to sow fear among the Iraqi people. We are confident, however, that the Iraqi people will stand fast and work together to build their common future in peace and security. We call upon all Iraqis to unite in combating all forms of violence and attempts at intimidation.

We mourn the loss of life and extend our condolences to the victims' families, friends, and community.
