If you are interested in submitting a proposal on this project, read the instructions in Section L of the attached Request for Quotation (RFP).

If you intend to submit a proposal, you should thoroughly examine all documents contained in the contract solicitation package. The Embassy intends to conduct a site visit (see L.6, 52.236-27) and hold a pre-proposal conference. All prospective offerors who have received a solicitation package are invited to attend. The conference will be held on Monday, November 17 at 10:00. Participants will meet at the New Embassy Compound West Service CAC on Al Khindi Street. Submit any questions you may have concerning the solicitation documents in writing via e-mail (BaghdadGSOProcurement@state.gov) by COB on Saturday, November 15, 2008 so that a response can be provided at this conference.

Your proposal must be submitted in a sealed envelope marked "Proposal Enclosed" to Dwight Samuels, on or before close of business on November 19, 2008. No proposal will be accepted after this time.

Complete Part II of the Standard Form 1442, including all blank spaces, and have the form signed by an authorized representative of your company, or the proposal may be considered unacceptable and may be rejected.

In order for a proposal to be considered, you must also complete and submit the following:

1. Section B and Attachment 4, Proposal Breakdown by Divisions;
2. Section K, Representations and Certifications;
3. Bar Chart illustrating sequence of work to be performed;
4. Additional information as required in Section L.

The contract will be a firm fixed price contract, with no adjustment for any escalation in costs or prices of labor or materials. Please be advised that each offeror is responsible for furnishing complete information to its subcontractor and suppliers, such as details and quantities required by the drawings and specifications. Subcontractors and suppliers should not be referred to the Embassy or the Architect for determining the amount or quantities of materials required.

The construction completion time is 30 calendar days, commencing on the notice to proceed.

The Contracting Officer reserves the right to reject any and all proposals and to waive any informality in proposals received. In addition, the Embassy reserves the right to establish a competitive range of one or more offerors and to conduct further negotiations concerning price and other terms before awarding the contract, or to award without discussions.
